NOTES REGARDING SPECIAL ASSESSMENT INFO ON WEB SITE:

The special assessment payoff information on the web site includes the current installment amount if not paid. Please be advised that unpaid current installments become delinquent on August 31st and payment will no longer be accepted for the installment portion. Delinquent installments will be rebilled on that December's property tax statement. If the installment is unpaid you will need to subtract the unpaid portion from the payoff amount in order to calculate a correct amount to pay off the rest of the balance. If you have questions regarding this, please contact the Water and Sewer Department at (616) 396-2345 or (616) 395-0078.
