Memorandum

TO: Board of Trustees
FROM: Steve Bulthuis
DATE: December 1, 2025
SUBJECT: LifePak 35 patient monitoring/defibrillator

Last fall, the Township purchased two patient monitoring/defibrillator units to properly equip the medical trucks as we transitioned to having the fire department provide primary medical response. Given the volume of medical calls being run, and to improve efficiency, a third patient monitoring/defibrillator unit is requested. To maintain uniformity of equipment, another LifePak 35 is being sought.

A quote for replacing the LifePak 35 monitoring/defibrillator was obtained:

One (1) LifePak 35 Patient Monitoring/Defibrillator w/accessories \$60,973

Staff will be seeking authorization to purchase one LifePak in an amount not to exceed \$60,973. Please contact me with questions.
