Memorandum

TO: Board of Trustees

FROM: Steve Bulthuis

DATE: February 16, 2026

SUBJECT: Project estimates for street resurfacing, dust control and mowing/trimming

At the February 5 meeting I reviewed a recommended street resurfacing program for this year that included thirteen subdivision street segments. Attached you will find estimates from the Ottawa County Road Commission for these projects totaling \$759,388.

Also included are estimates for roadside mowing/trimming (\$10,000/cycle) and dust control (\$1,800/application).

Staff will be seeking your approval of the attached estimates for these projects/services. Please let me know if you have any questions concerning the attached.

Gentlemen:

At a meeting of the _____ Township Board held on _____, the above project and estimate was approved. The Road Commission is authorized to proceed to accomplish the work and bill the township for all direct costs charged to the project, plus a maximum overhead charge of five percent (5%) of the total direct costs so charged; and the township hereby agrees to pay same in full (less county contributions, if any, as indicated in writing attached hereto and incorporated by reference). Direct costs include any payments for: contracts with contractors, engineers and other consultants; materials; force account labor at 1.5 times payroll charges; equipment rental; and advertising and printing. The township agrees to make advance payments, if required, and to pay any balances due within thirty (30) days of receipt of the billing for same. The township also understands and agrees that final direct costs and quantities may vary from the estimate.
