RE: Monthly Calls (February 2024)

Dear Steve,

The Ottawa County Sheriff's Office responded to 1,184 calls for service within Holland Township during the month of February. The Paramedic Unit responded to 124 medicals. The Ottawa County Sheriff's Office policed 105 crashes and made 713 traffic stops.

The following are activities that occurred within Holland Township or involved Holland Township Community Policing/Paramedic Units during the month of February.

Noteworthy E-Unit/Deputy Medical Training:

E-Unit Deputy Zwak was dispatched to a 37 year old male who was feeling light headed after a workout. When Deputy Zwak arrived on scene he made contact with the patient who stated that he thought he was having a panic attack. Deputy Zwak took patients vitals and noted that the patient was having a cardiac episode and needed to go to the hospital. The hospital was notified and the patient was taken there by ambulance. When the patient arrived at the hospital he was brought to the cath lab. While at the cath lab, the patient had two separate episodes that needed the use of the defibrillator. The patient underwent surgery and is expected to make a full recovery.

OCSO received an email from the hospital giving a special thanks to AMR and Deputy Zwak for their quick on scene assessment and for alerting the hospital before the patient arrived.
