Section 15.3 - General Standards of Approval.

- A. Standards of Approval. The Planning Commission shall review the particular circumstances and facts applicable to each proposed special land use with respect to the following standards:
1. The use will be harmonious and appropriate with the existing or intended character and land uses in the general vicinity.
 2. The use will be served adequately by public services and facilities, including, but not limited to, streets, police and fire protection, drainage structures, refuse disposal, water and sewer facilities, and schools..
 3. The use will not involve operations, materials and equipment that will be detrimental, hazardous, or disturbing to any persons, property or the general welfare due to traffic, noise, smoke, fumes, glare, vibration, or odors.
 4. The use will be consistent with the intent and purposes of this ordinance and the Holland Charter Township Comprehensive Plan.
 5. The use will ensure that the environment shall be preserved in its natural state, insofar as practicable, by minimizing tree and soil removal and topographic modifications, which result in maximum harmony with adjacent areas.
 6. The use will not result in traffic congestion, nor have an adverse impact on roads, nor cause hazards.
 7. There is need for the proposed use within the township, and the use will not be detrimental to the community.
- B. Approval. If the Planning Commission finds that the standards in general have been met, in addition to confirming compliance with all other zoning requirements, the permit shall be issued.
