- Thermal Imager Training
- IV Access Training
- SKED Training
- Technical Rescue - GIN Pole
- Technical Rescue - A-frame
- Technical Rescue - Haul systems
- Advanced airway management

Community Risk Reduction (CRR)

Holland Township Fire Department participated in the following CRR efforts during the month of March:

- Dry System flow test at a local business
- Fire alarm inspection at a local apartment building
- Fire suppression system inspection at a local business
- Fire department access keys locked up in several fire department access boxes
- Fire suppression system bag test at a local apartment building
- Fire suppression system hydro test at a local apartment building
- Met with building department to discuss upcoming building projects
- Worked with a local business on pre-plan drawings
- Conducted several plan reviews

Ladder Training

Apparatus, Equipment & Stations

- A new Oxygen Generation System was purchased, this will allow us to fill our medical Oxygen cylinder in-house
- TV monitors for station alerting were installed in station 1 & 3 apparatus bays
- The fire alarm system upgrades at station # 2 were inspected and passed
- New Tork roof hooks were added to apparatus. These will help our members open up walls and ceilings to locate hot spots during the overhaul phase of an incident
- A lockable EMS cabinet was installed in Engine 1222, this set-up mirrors Engine 1224

1241 Aerial Operations Training

Brush Truck Training

OTHER DEPARTMENT INFO

- Many of our workgroups up and running, this will aid in getting members involved with various fire department functions and activities
- At our March HTFD Officer's meeting we evaluated HTFD station response within each dispatch quadrant. We added paid-on-call to certain call types within each dispatch quadrant
- Public warning siren locations have been confirmed, the respective power companies have evaluated power at each site and Ottawa County Right-of-way applications are submitted.
- HTFD acquired a training house (behind Blaine's) that crews will use for training in April.
- HTFD subscribed to an online Fire and EMS training platform. This will be used in conjunction with regularly scheduled training. It will help us obtain necessary Fire and EMS Continuing Education (CE) requirements. This platform will also aid in maintaining better training records.
