## Memorandum

**TO:** Board of Trustees  
**FROM:** Steve Bulthuis  
**DATE:** April 28, 2024  
**SUBJECT:** Pickleball enhancements

---

The demand for pickleball courts at township parks continues to be strong. To try and meet this demand, the Parks Department is seeking to add pickleball court striping to the two tennis courts at Helder Park. This will result in the addition of four pickleball courts. Portable nets will be utilized to ensure that the courts can still be used for tennis.

Raquet Sports, who converted tennis courts at Helder and Beechwood Parks to pickleball, provided a quote. A quote for portable nets used at several facilities visited by staff was also obtained:

Pickleball court striping (4 courts)	\$ 2,000.00
Portable nets (4)	<u>\$ 9,571.00</u>
Total	\$11,571.00

### Recommendation

To proceed with the pickleball enhancements at Helder Park as described above along with a contingency for a cost not to exceed \$12,750.
